General No. 39 / No. } 18 —8 .

Sir

In reply to your official memo No. 28 dated 7/8 th June 1892, I have the honor to state as follows. —

From the Register of title deeds a lumpsum of — 303 Rupees 11 annas appears to have been set apart for the use of this "Nava Masjid" Comprising of two items viz Rupees 7·13·8 for establishment and Rs. 17·7·3 for oil sugar and cost

To the same No 791 dated 9/5/93
No 7 166-92

other contingencies per month. The Mutwalli in it does not appear to have been allowed any sum for his own maintenance. The Myndee Amilda in his yadi No: 199 dated 30th November 1892, state that no fixed amount has been set apart for the several Fatahas to be held in the Masjid but the amount not drawn from the Total amount allowed, are being sanctioned for the Fatahas of that year. This leads to the misappropriation, now complained against the Imam not having been given any amount for his own maintenance, either does not spend the whole amount sanctioned for the purposes, to which they are so allowed or spends nothing at all and uses the same for his own livelihood

I am of opinion that this might be obviated by a regular allotment of the Total amount allowed to the Masjid, under the different head of expenditure, and leave a margin for the personal expenses of the Mutwalli. The correspondence connected with the matter is submitted for reference and obliging return.

I have the honor to be sir

Inspection Notes of
the Nawa Masajid in Hale
Afrabar, Mysore.

On receipt of certain
complaints against the
Mutwally Hafiz Baig, I
inspected the Institution
on the 24th Feb 93. From
personal enquiries instituted
on the spot, I found that
many of the items of the
complaint against him
were not without foundation
But the Mutwally begged
to be excused for his past
errors and promised to be
more careful in future. He
submitted a written statement
in Hindustani, under his Signature
specifying
the duties and services, for
the proper performance
of which he would be
responsible, and
further undertook to
execute at his own cost

certain repairs, within 2 months. The Town Magistrate will be requested to see that these duties are properly attended to by the mutwally in future and the repairs executed within the promised time. A grant of Rs 15 out of the savings of the Musjid now held in deposit in the Town Magistrates office will be given as a contribution towards the cost of the repairs.

I have also appointed ~~appointed~~ two persons whose names are noted in the margin as Honorary Nazirs of the Musjid. ~~There~~ will hold in the Institution the same Status which Dharmadarsees do in the Hindu

2 Mohammed Kapun Contractor

Temples. Their duties
will principally consist
in bringing to the notice
of the Town Magistrate
any irregularities they
may observe in the
